

HANDS-ON

Holiday Debating Program

Does your child have an opinion about everything? Could your child use a confidence boost?
Would you love your child to gain skills that give them an advantage in today's rapidly changing world?

Join Gozone for an interactive, exciting and experiential debating program. Beginners will be introduced to the art of debating and advanced debaters will have the opportunity to take their skills to a whole new level!

Classes are led by experienced and friendly debating coaches from Gozone Debating who make debating lots of fun! Classes are focused on building skills and developing confidence in a cooperative, encouraging environment.

Debating introduces wonderfully valuable life skills that help students learn logical thinking, leadership, teamwork, public speaking, facing your fears, how to rebut an argument, how to get your point across effectively and more!
